

April / May - 2016

**Woodfield Election Results** – At the Annual Meeting on April 18<sup>th</sup> the Woodfield Board of Directors votes were counted, below are the results.

**President-** Michael Beaver

**Vice President** – Javier Lopez

**Treasurer** – Ryan Griffin

**Secretary** – Shelli Olmstead

**Member-at- Large** – Will be determined at the May 18<sup>th</sup> meeting

**Garage Sale- Saturday June 4<sup>th</sup>** Woodfield's once a year Garage sales. The Association will provide a Banner at Kramer & Golden with additional directional signage. It is the perfect time for all of us to clean-out our closets and put a little cash in our pockets. We encourage all to participate, whether you are selling or buying, it is a wonderful time to get out and meet your neighbors and have FUN too! (Please see the reverse side of flyer for additional information)

**Swimming Pool and Jacuzzi** – Many updates have been made to the pool area. You may have noticed the new pool furniture and colorful umbrellas. We do ask your assistance in keeping umbrellas in good order; please help by lowering the umbrellas to closed position when you leave for the day. Thank you! Also new is a Pool/Jacuzzi heater and filter. The entire system needed to be replaced we discovered when it was activated for this summer season.

**Be Prepared for an Emergency** - [www.WoodfieldPlacentia.org](http://www.WoodfieldPlacentia.org) - Many additions have been made to the Woodfield website. Please go to the site and review "Useful Resources" tab under the "Our Community" header. When the BIG ONE (Earthquake) hits, it is NOT IF it will?, it is When it will? The website has a number of resources to help you be ready. You will find Emergency Supply Vendors you may order from, Suggested Supply Lists of items you will need, Water Purification techniques with recommend amounts of water per person. Emergency Services suggests that your family and pets be prepared for a minimum of 7-10days to be self-sufficient and survive without any first responder assistance. Are you ready?

**Alert OC** is a mass Notification System designed to keep Orange County Residents and Businesses informed of emergencies. This system is utilized by the Police and Fire Department for time-sensitive alerts. They are able to pinpoint exact structures that maybe affected and get a notice to you at once! With so many of us moving away from land-line and living in a mobile society, this system is designed to give alerts where we live and work. If you are care-giver to someone residing at a different address, you are encouraged to sign up at that address so you may be their helping hand. This will give you any notices you may need relevant to that geography.

The notice may be sent to your home, cell or business phone. Text messages may also be sent to cell phones, e-mail accounts and hearing impaired receiving devices. AlertOC is a joint County/City program and they will not share your information or spam you. However they do test the system each year. [www.AlertOC.com](http://www.AlertOC.com)

**Nextdoor.com-** This is a FREE social network site that helps neighbor's share and connect: information, safety concerns, get recommendations, sell or give away items, find a lost pet, share local events. It is a nice way to build a better community with positive feedback. If you are interested go to: [www.nextdoor.com](http://www.nextdoor.com) and Join the Woodfield group. **(We are now at 70 members in our Woodfield Community, please join in, this will provided a great way to communicate information quickly)** As we move forward with our Woodfield painting project, this will give us an easy way to keep you informed as the project progresses and reaches your residence. Thank you in advance for helping Woodfield keep you well informed.

**Next Board meeting is Monday June 20<sup>th</sup> at 7:00PM**
